

INDIVIDUAL HOUSING DEVELOPMENT AWARD

Projects shortlisted in this category are all single dwellings and contemporary in style. They demonstrate a commitment to the use of clay brick and are inspiring examples of that which can be achieved with the material on small sites.

APERTURE HOUSE

Aperture House fits discreetly within this East Canonbury Conservation Area. The site was previously occupied by a domestic garage, enclosed by brick walls from various eras, most of which has been retained.

- Brick Manufacturer: Ibstock
- Brick: Funton Old Chelsea Yellow
- Architect: Paul Archer Design
- Brickwork Contractor: B & A Woodworking Ltd
